Nourison showroom to open for High Point Pre-Market

SADDLE BROOK, NJ — September 11, 2020 – Leading floor covering and home accents manufacturer Nourison will be opening their High Point Market showroom at IHFC-IH101, September 13-15, 2020 for High Point Pre-Market. Nourison is opening for pre-market in conjunction with hosting a virtual market during the first week in October and participating in High Point Market, October 13-21, 2020.

This is the first time Nourison is participating in High Point Pre-Market, in hopes to connect with customers who plan on attending pre-market instead of regular High Point Market, and welcoming them in a more focused, intimate setting.

The Nourison showroom will be fully setup for pre-market, previewing all new introductions being shown at High Point Market. Nourison sales representatives will be scheduling appointments with their customers and will be present at pre-market.

Nourison will be opening the main entrance of their showroom by the lobby. Nourison will enforce social distancing guidelines in their showroom, making sure attendees wear face masks and remain 6 feet apart. Hand sanitizer and antibacterial spray will be readily available.
