Nourison Launches Hand Knotted Odessa Collection

SADDLE BROOK, NJ — February 8, 2021 – Leading floor covering and home accents manufacturer Nourison has launched the hand knotted Odessa Collection with a total of seven Oushak designs and eight color styles, made of 100% New Zealand wool.

The Odessa Collection takes vintage Persian area rug designs and updates them for the modern age, in true transitional style. Each hand made Odessa rug features classic floral and geometric motifs that are finished with a space dye effect and fringe edges for an heirloom look with a refined edge for farmhouse, rustic, contemporary, and eclectic settings. The designs include a soft palette of grey, ivory mocha, blue, brick and sage.

The Odessa Collection speaks to the increased demand for high end, hand knotted rugs. Nourison's trade customers can view and purchase the Odessa collection at www.nourison.com/odessa. Odessa will also be displayed at the Nourison showrooms at Las Vegas Market in April and High Point Market in June.
