Nourison Wins 2022 Pinnacle Award

SADDLE BROOK, NJ — November 3, 2022 – Leading floor covering and home accents manufacturer Nourison was honored at the 26th annual Pinnacle Awards, presented by the International Society of Furniture Designers (ISFD) on October 24th at High Point University’s Nido and Mariana Qubein Arena and Conference Center, during High Point Market.

The Pinnacle Awards gala celebrated this year’s theme of “Creating Tomorrow’s Homes,” focused on the style, forms, finishes, and functionality of the furnishings that will be part of our future lives. Nourison’s **Scroll Area Rug, Grey Shadow** is the winning design in the Floor Coverings category.

The Scroll Area Rug just made its debut at High Point Market, with a limited edition design of 100 pieces total (50 units per size: 8’ x 10’ and 9’ x 12’). The multi-toned grey design pays homage to the classic art of parchment crafting, framed by artistically shaded edges that seem to leap from the hand-tufted ground, much like a sheet of aged paper. This area rug is made from a blend of New Zealand wool and silky Luxcelle™, finished with hand-carved accents for depth and an individually carved unit number at the bottom corner of each rug.
